

## Pre A1 Starters – Jorge

Please read this and watch [this video](#) of Jorge doing a Pre A1 Starters Speaking test.

Jorge uses the vocabulary required to deal with all test tasks. He produces simple utterances such as ‘riding his motorbike’. He generally responds at phrase level but also produces some longer utterances. In part 1, ‘here are the cows’ and in part 2, ‘the cat is sleeping on the grass’. In part 4 he responds, ‘in my bag I have books an agenda and, and food’.

Jorge is generally intelligible although some sounds may be unclear. He has limited control of word stress.

Jorge generally responds appropriately to instructions, questions and visual prompts and requires no support. He often responds promptly.
